To Whom It May Concern:

Randall's Island Park has had a long and wonderful relationship with Clean Vibes over the past several years. Last year alone Clean Vibes staffed all of our major events, covering multi-day festivals – tirelessly. They have operated event cleaning and recycling operations in connection to some of our largest Citywide special events held annually at Randall's Island Park

As a major NYC regional park, visited by over 3 million people, we take park cleanliness and environmental stewardship very seriously. Clean Vibes is the **only** company we have worked with in the past two decades who has consistently exceeded our expectations in site clean-up and recycling. They have gone above and beyond the specific "event site" to clean and maintain park pathways, parking lots and adjacent areas of the Event Lawn – impacted by ticket holders. The Clean Vibes crews are well supervised, pro-active, energetic and a pleasure to work with. Our experience has shown that with Clean Vibes staffing an event – they have "set the tone" for event patrons to pick up after themselves and dispose of trash responsibly while visiting the park and the event at Randall's Island Park.

I recommend Clean Vibes without hesitation. They have always been a pleasure to work with and we hope to continue to do so in the future.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Aimee Boden".
