To whom it may concern,

Another Planet Entertainment has hired Clean Vibes to handle our event waste management needs at our music festivals for years.

They have exceeded our expectations time and time again. They allow for us to make our events as green as possible, by orchestrating our cleanup needs from load in to load out, and always smoothly.

We have received exceptional customer service and Clean Vibes have had great communication with us regarding our events, and with the City and County of San Francisco.

Their staff has always been competent, knowledgeable and passionate.

Another Planet Entertainment strongly recommends Clean Vibes for any event looking to reduce their carbon footprint and promote a green image.

Kind regards,
